Section 2.0. **Standard Terms and Conditions of this Agreement.**

A. By signing and delivering this Agreement to the Authority, the Applicant acknowledges it has read this Agreement and agrees to be bound by all terms and conditions set forth herein, including in any Exhibits.

B. **General Conditions**

i. The Applicant shall perform any construction activities (including any construction activities affecting the Facilities) (the “Work”) in substantial conformance with the Plans and in accordance with the requirements of the Authority’s Utility Standards Manual. All Work shall be performed in a safe and workmanlike manner and in conformance with general standards for commercial construction activity in Northern Virginia. The Applicant shall perform the Work at no cost to the Authority, and the Applicant shall be responsible for obtaining all necessary federal, state, and/or local permits required to perform the Work.

ii. The Applicant may access the Facilities between the hours of ______ A.M and ______ P.M., **Monday through Sunday,** provided, however, that throughout the Work, the Applicant shall provide and the Authority shall retain the ability to access the Facilities at all times for purposes of inspection, maintenance, repairs, and other similar purposes.

iii. The Applicant will provide the Authority with notice of its intent to access the Facilities at least 48 hours in advance.

iv. The Applicant shall be liable, at its sole cost and expense, for any bodily injury, death, personal injury, and property damage (including damage to the Property, the Facilities, or other Authority property, real or personal) to the Authority and/or any third party arising from or in any way relating to the Work and attributable to the Applicant’s negligence, gross negligence, or willful misconduct. This Section 2.0.B.v is subject to the indemnity provision of Section 2.0.C.ii of this Agreement.

v. Throughout the Work, the Applicant shall maintain the integrity, safety, and security of the Facilities and the Property. The Applicant shall install or maintain fencing or such other security measures as the parties agree to in writing.

vi. Any damage to or degradation of the Facilities arising from or relating to the Work shall be immediately reported to the Authority, but not more than 24 hours after such damage or degradation occurs. If, at the Authority’s sole determination, such damage or degradation threatens the integrity, safety, working condition, or security of the Facilities, the Applicant will immediately cease the Work and the Authority will have immediate access to the Facilities to make necessary repairs or restoration of the Facilities. The Applicant shall be liable to the Authority for the cost and expense of such repairs or restoration where they
are attributable to the Applicant’s negligence, gross negligence, or willful misconduct.

vii. The Applicant shall, at its sole cost and expense and upon completion of the Work, restore, as nearly as practicable, to their original condition the Property and any land or premises included within or adjoining the Property which are disturbed in any manner during the Work. Such restoration shall include, but shall not necessarily be limited to, (i) the backfilling of trenches, (ii) repaving, (iii) replacement of fences or other security measures for the Facilities, (iv) the reseeding or resodding of lawns or pasture areas, and (v) the replacement of trees, flowers, shrubbery, vegetable plants, structures and other similar features. The Applicant shall be responsible for any settlement of all backfill or repaving for a period of two (2) years after the Expiration Date.

The Authority shall be named as an additional insured in all such insurance policies and such insurance shall provide coverage for the Applicant’s liabilities under this Agreement. The Applicant shall provide the Authority with proof of insurance within five (5) business days of obtaining the same, and shall provide proof of insurance to the Authority annually thereafter by the second Monday in January.

ii. Except to the extent of the Authority’s negligence, and to the extent permitted by Virginia law, Applicant hereby agrees to release, indemnify, defend, and hold harmless the Authority from and against all debts, obligations, losses, costs, promises, covenants, agreements, contracts, endorsements, bonds, controversies, suits, actions, causes of action, rights, obligations, liabilities, judgments, damages, expenses, claims, counterclaims, cross-claims, or demands, in law or equity, and liabilities of every kind whatsoever, including, without limitation, reasonable attorney’s fees and costs, whether sounding in tort, contract, statute, or otherwise, arising from or in any way relating to the Work.

D. Miscellaneous

As part of any request to assign this Agreement to any Assignee, the Applicant shall obtain and deliver to the Authority the Assignee’s written consent to and agreement to be bound by all terms and conditions of this Agreement (“Assignee Consent”). The Authority shall not be obligated to consider any request by the Applicant to assign this Agreement until the Authority receives the Assignee Consent and proof of insurance as required by this Agreement.

iii. Notwithstanding anything in Section 1.1.B to the contrary, the license granted to the Applicant under this Agreement shall automatically expire upon any of the following events occurring; provided, however, that such expiration will not affect the Applicant’s obligations pursuant to Sections 2.0.B or 2.0.C.ii of this Agreement:

v. The venue for any suit involving this Agreement shall be in the Circuit Court for the County of Prince William or (if appropriate) in the Federal District Court for the Eastern District of Virginia. Each party hereby irrevocably submits to personal jurisdiction of such court.

vi. This Agreement constitutes the entire agreement among the parties hereto with respect to the subject matter hereof, and it supersedes all prior oral or written agreements, commitments or understandings with respect to the matters provided for herein. This Agreement may be executed in counterparts, each of which shall
be deemed an original, but all of which shall constitute one and the same instrument. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.
