Staff is working diligently to improve emergency communications efforts for customers. b) Update on Heritage Hunt: Staff held a meeting with the Heritage Hunt community on March 7 regarding the new pump station and force main. Residents are concerned about possible disruptions in the community. c) Mr. Dickey reported he is speaking at the Woodbridge Senior Center on Wednesday, March 22 at 12:00 noon.

d) In follow up to Mr. Ruecker’s question at the February Board meeting about “Buy American” contract provisions, Mr. Beefelt reported the Virginia Public Procurement Act has no provision for requiring American-made products; therefore, the Authority is not allowed to set those requirements. The Authority must consider all qualified vendors and manufacturers.

e) Mr. Dickey congratulated Communications staff on their outstanding work in coordinating and presenting the Water Art Invitational (WAI).
