d) Authorization to Initiate the Eminent Domain Process and to Advertise and Hold a Public Hearing to Secure Easement Rights from Second Irongate Community, Inc. for Easements Needed for Construction of the Barrett Drive Water Main Project

Mr. Dickey reminded Board Members that he withdrew this item from the September Board Meeting Agenda because staff needed to perform more due diligence. Since that time, the Second Irongate Community, Inc. Homeowners Association sent a letter advising they do not object to the Authority initiating the Eminent Domain process to acquire the easements.

Motion: Mrs. Carr moved that the Prince William County Service Authority Board of Directors hereby authorizes the General Manager to initiate the Eminent Domain process and to advertise and hold a Public Hearing to secure easements on property owned by Second Irongate Community Association, Inc., located at 10118 Shiloh Court and 8034 Community Drive, Manassas, VA, that are needed for the construction of the Barrett Drive Water Main Project.

Second: Mr. Ruecker

Mr. Dickey advised the Public Hearing will be held at the November 10, 2016 Board meeting.

Ayes: Carr, Ruecker, Allen, Eagles, Kooyoomjian
Absent: Gonzales, Rutherford, Voggenreiter

4. GENERAL MANAGER’S REPORT

a) Mr. Dickey read a list of some of the Community Outreach events in October.

b) Backflow Cross-Connector Inspections: Mr. Dickey advised that Prince William County (“the County”) plans to return the responsibility for these inspections back to the Service Authority (between July and October 2017). Ms. Griffith said the inspections will be managed by the Division of Environmental Services and Water Reclamation. Staff may incorporate Fats, Oils and Grease (FOG) inspections as well. The new responsibilities will require two additional staff positions to perform the work.

c) Graham Park Town Hall: Mr. Dickey gave a brief report on the community meeting held on October 4, 2016.

d) Update on West Longview Drive: Mr. Shoop gave a brief presentation with background information on the water main replacement project. Mr. Shoop explained the pros and cons of performing the work in FY17 vs in FY19 (as it was originally approved in the FY16-FY20 CIP). Discussion was held. Due to safety, operational and cost concerns, staff’s recommendation is to not accelerate the project. Board Members supported staff’s recommendation.

e) Hexavalent Chromium (Cr6): Mr. Dickey advised Board Members of customer concerns the Authority has received in response to a recent newspaper article about Hexavalent Chromium. Copies of a proposed letter to the editor of the Prince William Times, as well as FAQs (frequently asked questions) about Cr6, were distributed to Board Members for review and comment. Members approved sending the letter as proposed [Mr. Viani later offered edits, which were accepted by Board Members.]

f) Trail along Blackburn Road: Mr. Dickey explained that the Authority is working with the County to allow the County to construct (and maintain) a trail on the Authority’s easement on Blackburn Road after completion of the Authority’s sewer construction activities. County staff will notify Supervisor Principi’s office of the project.
g) Heritage Hunt Force Main: Mr. Dickey advised that staff is still attempting to locate the force main (shown on old plans to be an existing main) at Heritage Hunt. Mr. Shoop reported that the contractor recently hit a high groundwater table, which caused them to stop work and reassess their excavation procedures. They will be moving closer to the pump station, where staff has a better idea of where the existing force mains exit the building. The contractor will excavate near the existing force mains in an attempt to locate the third force main that was installed 20 years ago. The contractor will provide the necessary pumps for dewatering during excavation.

h) JLARC (Joint Legislative Audit and Review Commission) Update: Mr. Dickey provided information on JLARC’s recommendations and options on the effectiveness of Virginia’s Water Resource Planning and Management. Mr. Ruecker asked that the information be sent to Board Members.

i) Mr. Dickey advised a closed meeting is needed.

5. ATTORNEY’S TIME

Mr. Viani advised that a closed meeting needs to be held under Code of Virginia § 2.2-3711A1, Personnel and § 2.2-3711A7, Litigation.

6. CONSIDERATION OF MATTERS PRESENTED BY MEMBERS

Mr. Ruecker thanked Operations and Maintenance staff for mowing the grass on Cardinal Drive (around the water tank).

Mr. Allen thanked Communications and Ms. Murray for their assistance with recent inquiries.

Dr. Kooyoomjian thanked staff for their work on a number of issues, including hexavalent chromium, trail connectors and the Riverview Overlook project. He asked staff to consider providing a briefing to the Board about monitoring the use of fire hydrants.

Chairman Eagles thanked Mr. Pannell and Mr. James McCarroll for their staff’s work in Riverview Overlook. She also thanked staff for providing a list of the Woodbridge Magisterial District projects to Supervisor Principi’s office.

7. ADMINISTRATIVE REPORTS

Chairman Eagles asked the Board Members to please provide any questions they may have on the Administrative Reports to Mr. Dickey for dissemination to the appropriate staff member.

8. CLOSED MEETING

Chairman Eagles announced a closed meeting at 8:53 PM for the purpose of discussing Personnel under Code of Virginia § 2.2-3711A1 and Litigation under § 2.2-3711A7, and requested a motion for same.
