Motion: Mrs. Eagles moved that the Prince William County Service Authority Board of Directors hereby commends Mr. Ronald Hummel for his exceptional service to the customers of the Prince William County Service Authority and conveys best wishes for happiness in his retirement.

Second: Mrs. Carr

Ayes Eagles, Carr, Kooyoomjian, Ruecker, Rutherford (via telephone), Voggenreiter

Absent: Allen, Gonzales

3. ACTION MATTERS

a) Approval to Use Design/Build as the Project Delivery Method for the SCADA Project

Mr. Dickey asked Board Members to approve the Resolution as presented.

Motion: Dr. Kooyoomjian moved that the Prince William County Service Authority Board of Directors hereby approves the use of Design/Build as the Project Delivery Method for the SCADA Project, and authorizes the General Manager to initiate the procurement process to secure the services of the best-qualified Design/Builder.

Second: Mr. Voggenreiter

Mrs. Eagles asked if there is a way to distinguish between references to the old and new SCADA systems. Mr. Pflughaupt, Director of Information Technology, suggested referring to them as “HSQ” (old) and “Clear SCADA” (new).

Ayes: Kooyoomjian, Voggenreiter, Carr, Eagles, Ruecker, Rutherford (via telephone)

Absent: Allen, Gonzales

b) Authorization to Initiate the Eminent Domain Process and to Advertise and Hold a Public Hearing to Secure Easement Rights from Carlton V. Heflin, et al., Needed for Construction of the Antioch Road Water Main Project

Mr. Dickey asked Board Members to approve the Resolution as presented.

Motion: Mrs. Eagles moved that the Prince William County Service Authority Board of Directors hereby authorizes the General Manager to initiate the eminent domain process and to advertise and hold a public hearing to acquire easements by condemnation, including by “quick take” condemnation pursuant to Va. Code § 25.1-300 et seq., on the parcel owned by Carlton V. Heflin, et al., located at 6115 Antioch Road, Haymarket, VA 20169, needed for construction of the Antioch Road Water Main Project.

Second: Mrs. Carr
Dr. Kooyoomjian expressed his appreciation to staff for providing thorough documentation. In response to an inquiry from Mr. Rutherford, Mr. Beidas informed Board Members the physical parameters of the requested easement have been significantly reduced to minimize the impact to trees in an effort to accommodate a request from the property owner. Staff maintained the proposed compensation at the same level as for the larger easement.

h) Mr. Dickey announced that Mrs. Rosalind Jeffries, Executive Office Services Specialist, is retiring February 23 after 27 years of service. She will attend the April Board dinner and meeting to receive her retirement certificate and say her goodbyes to Board Members.

i) Mr. Dickey advised a Closed Meeting is needed.

5. ATTORNEY’S TIME

Mr. Viani confirmed a Closed Meeting needs to be held under Code of Virginia § 2.2-3711A3, with respect to Real Estate, and § 2.2-3711A7, General Legal Advice.

6. CONSIDERATION OF MATTERS PRESENTED BY MEMBERS

Mr. Voggenreiter congratulated staff on the Customer Satisfaction Survey results, and thanked the Authority for the nice 35th Anniversary gifts.

Dr. Kooyoomjian congratulated the Authority on its public outreach program and noted it is a positive investment in the community and its youth. He also mentioned a Prince William Committee of
100 program on February 15 as well as an upcoming Federal Water Quality Association meeting in Washington, D.C.; he gave both flyers to Ms. Murray to email to Board Members.

Mr. Rutherford asked how many water main breaks there were in January; Mr. Pannell replied there were 62 water main breaks. Mr. Rutherford also asked about the emergency fume hoods project. Dr. Mahieu reported the project is going well. The project is moving quickly and is scheduled to take approximately four months to complete. Mr. Rutherford also asked if staff took photos of the rehabilitation work that was recently performed on the Potomac Mills tank. Mr. Pannell advised staff did take photos of the work and posted some of them on the Authority’s social media accounts.

Mr. Ruecker thanked Mrs. Nelson and Mr. Pannell for their assistance in identifying a water leak that was reported in his district. He also commented on Congressman Wittman’s visit; he was impressed by the Congressman’s knowledge and also by the professionalism of Authority staff who provided the tours and answered the Congressman’s questions.

Mrs. Eagles asked if the water tank repairs at Mooney are complete. Dr. Mahieu explained the drain line still needs to be repaired. Mrs. Eagles also asked if the temporary cell tower will be removed soon; Mr. Dickey advised Mr. Beefelt will provide an update on the tower soon.

7. ADMINISTRATIVE REPORTS
